N.A.C.E./S.D.C.H. Tuition Reduction Incentive Program

How Does The Program Work?

The school purchases gift certificates from various retailers at a discount. These certificates are then sold at face value. The difference between the face value and the discounted amount represents profits earned. This program allows us to allocate 60% of the profits to the certificate purchaser. Once registered you can direct your earnings to one of the following:

- * your family's tuition balance (for the following school year)
- * another family's tuition (this can be done anonymously)
- * N.A.C.E. Bursary Fund
- * future families' credits will be held until the child is enrolled

40% of all profits will be used to cover program administration expenses and any excess amount will be placed in the N.A.C.E. Bursary Fund.

If you have not purchased in the past, why not start now! It costs nothing, just the extra step of getting certificates before you shop. Just follow the steps below.

1. Register

A registration form must be completed and forwarded to your respective school office. The disclaimer section information is needed only if you would require someone else (i.e. your child, another parent, etc.) to pick up the certificates.

2. Purchase Certificates

Buy your certificates through the handy order system at your school office:

STONEY CREEK * John Knox Christian School

SMITHVILLE * Covenant Christian School
 * Smithville District Christian High School

Cheques must be made payable to **N.A.C.E. - Vouchers**. Orders are due at the school office by **9:00 a.m. on Tuesday** and will be available for pick up or sent home with your designated child by Thursday. There will be 2 days from each pick up date to report any errors. Each filled order will include a new order form.
